From the Club President...

Hello and welcome to everyone to Manurewa Association Football Club for round two, for most teams, of the Dettol Northern League.

Thank you to the MAFC members and staff who work tirelessly on match days in the set up, providing services and the pack down, that is required to make these games possible, your efforts are always appreciated.

Last week's result wasn't how you'd ideally like to start your season, however when you're up against arguably one of the best teams in the country first up, with a brand new squad, to only go down by a penalty, I think that was a fine effort, the lads equitted themselves well. I told them they have set themselves a benchmark now, move upwards from here.

My time is consumed at the moment dealing with parks/council around trying to get some form of surface acceptable to play on, as we are not in a good state once again, frustrating that we never seem to be given any preference, considering the standing this club has in the community and the level of sport we're delivering.

Once again we have attained some new sponsors for this season , for which the club is eternally grateful, you are so important to us being able to fund a season whilst not overly penalizing our members every year with increased fees. I encourage you to check them out on the last page of the programme .

Finally welcome to Western Springs FC and your supporters, to our club, we hope you enjoy the games and our hospitality today.

Good luck to our lads today, give it your best.

Wayne Jensen
President MAFC

WELCOME TO MANUREWA AFC

Last Thursday, we hosted a special panel interview featuring First Team players and our Coach Tashreeq, giving our MAFC Members and Supporters a chance to hear insights on the upcoming Dettol Northern League season! 🗣️

As part of the evening, we also took a moment to recognize our international players, presenting them with a keepsake flag featuring the Manurewa AFC emblem—a reminder that no matter where they're from, they're part of the Rewa family! 💙💛

These beautifully crafted flags were made by Mystic Fae—a huge thank you for their amazing work!

Big thanks to everyone who joined us! The season is just getting started—let's go! 🔥⚽

From the Head Coach...

Welcome to War Memorial Park!

It's great to be back home at War Memorial Park for our second match of the season. Today, we welcome Western Springs — a strong side that will no doubt present us with another tough challenge.

Last week's match was a difficult result to take, but it offered us a lot to learn from. As a new group, every game is an opportunity to grow, and the lessons we took from that experience will only make us stronger. The players have responded the right way — showing resilience, hunger, and a willingness to keep improving.

Our focus remains on building our identity as a team. We're committed to playing with purpose, staying brave on the ball, and trusting the process we've put in place. That takes time, but the foundations are being laid, and I'm proud of the work the group has done so far.

Western Springs will pose a different kind of challenge, and we'll need to be disciplined and switched on from the first whistle. These are the games that push us to be better, and I have no doubt the players are ready to rise to the occasion.

Finally, to our supporters — your presence here means everything. This is a new journey for the club, and having you behind us gives the players a lift in the moments that matter most. Let's create an atmosphere that makes War Memorial Park a fortress and pushes the team forward.

Thank you for being here. Let's get behind the boys and enjoy the game!

Tashreeq Davids
Head Coach, Manurewa AFC
