From the Chairperson...

Welcome to Manurewa AFC for another exciting round of the Dettol Northern League!

As Chairperson, I extend a warm welcome to all our supporters, players, and guests joining us today, including our opponents, Auckland United.

A big thank you to the dedicated MAFC members and staff who work tirelessly behind the scenes on match days. Your efforts in setting up, providing services, and ensuring smooth game operations are truly invaluable and deeply appreciated.

After securing 3 points last week, and with young Anas goal voted as Goal of the Week, the first team is ready for an exhilarating match today. With the full support of our club and community, it promises to be a thrilling game.

Keep an eye on your emails and our Facebook page for updates on the upcoming club breakfast on May 17th.

A heartfelt thank you once again to our sponsors. Your support is crucial in sustaining our club financially without burdening our members with increased fees. Please take a moment to learn more about our sponsors on the last page of today's program.

To Auckland United and their supporters, a warm welcome to our club. We hope you enjoy the games and our hospitality today.

Best of luck to our team in today's match.
Give it your all on the field!

From the Head Coach...

Welcome to War Memorial Park for today's Northern League fixture.

We extend a warm welcome to Auckland United, their staff, players, and supporters. They're a quality side, and we expect another tough test this afternoon.

Last weekend, we finally secured our first win of the season—a result that the group has been working tirelessly towards. It was a deserved reward for the effort, discipline, and belief the boys have shown through some tough early weeks. That win has lifted spirits, no doubt, but we're also very aware that one result doesn't define a season.

We've got a mountain to climb, and there's still a lot of work to be done. But the mood in the camp is better, the energy is positive, and the group is locked in. Right now, the focus is simple: take it game by game, training session by training session. We're not getting ahead of ourselves—we're just doing the work, building trust in the process, and striving to get better every week.

Thanks again for your continued support. Enjoy the game.
