## From the Head Coach...

---

Welcome to War Memorial Park for today's Northern League fixture.

We extend a warm welcome to West Coast Rangers, their players, staff, and supporters. With both sides eager to pick up points, today's match is a big one and we expect a hard-fought contest.

We're fully aware of our position on the table. It's not where we want to be, and we know we need to start picking up results. There have been performances that showed promise, but now it's about converting those into points. This week presents a huge opportunity—and we need to approach it with the right mindset.

The preparation is done. The players know what's at stake. Today isn't about over-complicating things—it's about desire, intent, and mentality. We've spoken all week about showing hunger, staying connected, and leaving everything on the pitch.

I also want to take this opportunity to thank the club, the wider staff, and our supporters. Through this tough period, your backing has never wavered. It's easy to support a team when results are going your way—what we've felt is something deeper, and we're incredibly grateful for that.

We'll continue to work, fight, and represent the badge with pride.

Tashreeq Davids  
Head Coach, Manurewa AFC
