From the Head Coach...

This weekend, we face Eastern Suburbs — a side in strong form and currently pushing at the top end of the table. We know the quality they possess, both in and out of possession, and the structure they bring to each game. But we also know who we are, and what we've been building behind the scenes.

Our first meeting this season was a highlight — a performance full of belief, bravery, and in-tent. Since then, our journey has had its share of setbacks and heartbreaks, but what has remained consistent is the resilience of this group. We're coming into this match after a string of much-improved performances and a stretch where we've shown real growth — both in maturity and mentality.

Last week's result hurt — there's no hiding from that. But the response since then, on the train-ing pitch and within the group, has been powerful. The atmosphere has shifted. The hunger is back. And the belief — despite the table — has never been stronger.

We've leaned heavily on our young core, with as many as seven players under the age of 20 involved week in, week out — many of them in their first season at this level. That comes with challenges, but also great potential. And what we're seeing now is a group learning to fight together, trust each other, and compete with real identity.

This club has always been about more than just results. It's about opportunity. It's about char-acter. And it's about building something that lasts. As we face Eastern Suburbs again, we do so with a clear sense of purpose and a group that knows what it means to wear this shirt.

We're not finished. We're still in this.

And today, we go again.

From the Chairperson...

Welcome to Manurewa War Memorial Park – Home of the Blue and Gold! A very warm welcome to all players, supporters, officials, and especially our visitors from Eastern Suburbs. We're proud to host you today for what promises to be an exciting and fiercely contested match between two strong sides. With only a few games left, every game counts and today's clash is especially important as we chase key points in front of our loyal home crowd.

We'd like to extend a huge thank you to our amazing volunteers who have been here early setting up the fields and facilities and to those who will be packing down later. Your time, energy, and dedication are the backbone of our club, and we truly couldn't do it without you.

While you're here today, don't forget to pop into the clubrooms and grab a ticket for our raffle to win an authentic signed Lionel Messi shirt! This is a once-in-a-lifetime collector's piece, and all funds raised will go directly back into supporting our teams and facilities. Tickets are available at the bar but be quick, they're going fast!

And finally, we invite everyone to return tomorrow for our Memorial Match, a special event where we come together as a club to honour the memory of those who have been part of our Manurewa AFC family and are no longer with us. It's always a heartfelt occasion and a true reflection of the community spirit that makes Rewa so special. We'd love to see a strong turnout from players, supporters, and families alike.

Thank you for being her, enjoy the match!
